About US

Welcome to Bluepebble, where we value innovative design, top-notch functionality, and customer satisfaction above all else. Our journey started with a humble product line, but through years of hard work and passion, we have evolved and expanded to meet the ever-changing needs of our customers and market trends.

Our brand now offers a wide range of products, including Type-C hubs, adapters, power banks, screen protection and cases, as well as various charging accessories, computer peripherals, and smart home devices. The goal of our diverse product line is simple – to provide you with all the necessary tools to make your everyday life simpler and smarter.

At Bluepebble, we strongly believe that great design should not be compromised for superior performance. That's why we never compromise on the aesthetics of our products and work tirelessly to bring you sleek and modern designs that seamlessly blend with your lifestyle.

We take pride in our dedicated team of creative thinkers, marketers, and design professionals who work together to bring ideas to life. With a focus on meticulous attention to detail and innovative thinking, we strive to create products that bridge the gap between you and your essentials.

So join us on this journey and discover the world of Bluepebble – where thoughtful design meets top-notch functionality to make your everyday life a little simplified.

Clear Guard Kit for AirPods 4 / 4 ANC - Clear

A close-up, low-angle shot of a pair of over-ear wireless headphones. The headband is a polished silver color, curving over the top. The ear cups are covered in a brown, textured material, likely leather or faux leather, with a perforated pattern on the outer surface. A silver-colored slider or volume control is visible on the side of the right ear cup. The background is a solid, dark black, creating a high-contrast, minimalist aesthetic.
